Delaware Junior Team Tennis

Delaware Junior Team Tennis Association is a community-based tennis program for boys and girls ages 10 to 18. Our mission is to provide a fun, competitive environment for intermediate to advanced players within our community to strengthen skills and enhance sportsmanship. We look to local families and other community-based organizations to support our efforts through active participation.

We encourage players of all races and socio-economic levels to participate. Our team approach helps foster camaraderie as well as a sense of belonging for both child and parent. We seek active support from parents as coaches and committee members.

We conclude each season with an association banquet where we recognize all our participants' achievements.
